Package Prints

This service is exclusively for professional photographers involved in large group sales (school pictures, sports teams and special group events). The lighting and exposures within each order must be consistent to qualify for these prices. Weddings and individual sittings at portrait studio's are not eligible.

Package Print orders from digital camera files must be placed using the LabPrints software. This powerful and easy to use software is free to all our pro photographers and can be downloaded from our web site. Ordering Package Prints is a snap with LabPrints software.

Package Print orders from 35mm negatives must be placed using our "Package Prints Order Form". These can be downloaded from our website or picked up at our front counter.

	Unit Options
A	(1) 8x10
B	(2) 5x7
